Our Contract

We promise

- High quality programme (structure, content, faculty).
- Excellent students (peers) admitted to the programme.
- Integrity of instruction and assessment.

Your responsibilities

- Know the rules and play by them.
- Be engaged with the material, each other, and faculty.
- Maintain (and improve) the reputation of the programme.

How to Succeed

1. Be regular: Show up to lectures, TA sessions, career & other events.
2. Be engaged: Ask questions, volunteer answers.
3. Be supportive of your peers, and always behave professionally.
4. Follow classroom etiquette: Do not distract others with your devices.
5. Respect confidentiality and academic integrity.
6. Do not miss assessments, exams without appropriate justification.
7. Communicate, communicate, communicate!
8. Provide appropriate feedback on courses and the programme as a whole:
 - a. Fill in (anonymous) survey at the end of each course.
 - b. Nominate class representatives; raise issues and propose improvements.
